

Add Mix-35 Colors

To achieve colors below, add one quart of the Add Mix-35 Color chosen to a 50# bag of Umaco U-Trowel White

Please note that the color samples above may differ from the actual product.

Variations in color due to job conditions and method of application should also be expected. Always do a sample panel on site to ensure color and texture approval by the owner and/or architect. Read Add Mix-35 Colors data sheet (before using this product) for full instructions on use and proper application.
